

Change contact information

Due to registrar's policy the contact information for a domain must always be kept up to date.

To change the contact information, navigate to the client area, click on domains and select the domain you want to edit.

- Click on the last menu item in the left menu.
- Scroll down and enter your contact details.
- Scroll to the bottom of the page and click on the blue button to save the information.

We recommend to **not change** the following contact information:

- Technical Contact
- Billing Contact
